Mr.ATHUMANI ISMAIL KHALIPHANI

Dear Mr. ATHUMANI,

RE: ADMISSION LETTER

I am pleased to inform you that you have been offered a place at the University of Dar es Salaam for the academic year **2022-2023** to pursue a course of study leading to the award of **Bachelor of Arts in Law Enforcement**.

You are required to register with the University within two weeks from the first day of orientation week which starts on **November 21, 2022**. Failure to do so will consequently lead to your place being forfeited and offered to another candidate. Deferment of the programme to another academic year is not allowed.

This offer is provisional, as it is subject to satisfactory verification by the office of the Principals of Colleges, Deans of Schools and Directors of teaching Institutes at the time of registration of the qualifications you have stated in the application forms. For the purpose of registration, you must complete University Registration Form "A" (enclosed) as well as bring with you the following:-

- a) Original and two photocopies of Certificate of Secondary Education Examination (C.S.E.E.), Advanced Certificate of Secondary Education Examination (A.C.S.E.E.) or Diploma Certificate (or their equivalents).
- b) Two up-to-date passport size photographs bearing your name, registration number and course of study at the back.

Original and two photocopies of birth certificate certified under the Birth and Deaths Registration Ordinance.

The offices of Principals, Deans or Directors of the respective academic units will verify all required documents. It should be noted that it is an offence to submit false information for admission. Impersonation and falsification of documents at any stage of registration or afterwards will lead to automatic cancellation of admission and be subjected to legal actions.

RESIDENTIAL ACCOMMODATION

The University of Dar es Salaam provides accommodation for all undergraduate students during their first year of study.

MEDICAL EXAMINATION

You will be required to undergo Medical Examination at the University Health Centre or any other Government Hospital. Duly filled medical examination form (Form B enclosed) with evidence that you have been screened for Tuberculosis including chest X-ray report shall be presented during registration.

RESIDENCE PERMIT

All international students are required to apply for a residence permit from their nearest Tanzanian Embassy before arrival.

IDENTITY CARD

All students are supposed to present their admission letters to the UDSM Identity Card Unit for photograph taking. A Student Identity Card will be issued after completion of University registration formalities and only then will you be allowed to use University facilities.

Finally, I wish to take this opportunity to congratulate you for this offer and to wish you a happy stay and success in your studies at this University.

Yours faithfully,

Prof. Nelson Boniface
Director of Undergraduate Studies
